

The Fabulous New FI-CORD® Swiss Pocket Dictater with Complete Office Transcribing System

JULY 1, 1968

HIGHLY AUTOMATED, TRANSISTORIZED AND UNBELIEVABLY VERSATILE. FOR EASIER, FASTER, INSTANT DICTATION — IN YOUR OFFICE, AT HOME, COMMUTING OR TRAVELLING — ANY TIME, ANYWHERE.

EXCLUSIVE FI-CORD FEATURE LIST

1. Lightweight, (a mere 27 oz.) and compact, (only 6 $\frac{3}{8}$ x 3 $\frac{1}{4}$ x 1 $\frac{5}{8}$ "), fits snugly in the palm of your hand
2. Built-in microphone for record and playback in any position
3. Automatic volume control on recording (AVC)
4. Easier, faster 1-2-3 operation for record — rewind — listen
5. 3 automatic spring-back pushbuttons for ONE hand, ONE finger control
6. Excellent voice fidelity, with volume control
7. Easier, instant pinpoint place finding and indexing, with 3-digit counter resettable to zero, fast rewind and fast forward
8. Automatic fast erase on rewind, pre-erase on record
9. Long recording time of 48 minutes (24 minutes on FI-CORD 303 A)
10. Simple drop-in tape loading
11. Standard 1/4" triple play, selfcleaning tape, usable indefinitely, readily available
12. End-of-tape signal with automatic motor stop
13. Snap-in tube with standard batteries, available anywhere
14. Long battery life of 24 hours (average)
15. Automatic battery test light with safety margin
16. Microphone sensitivity selector, for filtering background noises
17. Brief instruction label affixed to FI-CORD
18. Slip-in index cards
19. Ready-to-mail cartons
20. Snap-on portable amplifier-speaker
21. ONE combined input and output socket for all accessory microphones, telephone recording unit, stethophone
22. Choice of stop-start, lapel, tie clip, pen, cufflink, table microphones
23. Telephone recording unit
24. Selection of carrying cases
25. Complete office transcribing system with stop-start and reverse, 3-way footpedal, for standard batteries or 110 Volt AC
26. Playback with volume control, over electronic deLuxe stethophone or amplifier-speaker
27. Compatible on playback with dual-track dictating machines such as Edison Envoy, Norelco, Stenotape, Uher, etc. (FI-CORD 300 A)
28. Compatible on playback with single-track dictating machines such as Stenorette, Voca, etc. (FI-CORD 303 A)
29. Electronically governed motor guarantees constant speed
30. Swiss precision mechanism with tolerances to 1/1000mm (0.00003937")
31. Transistorized, radio-interference free circuitry with 77 electronic components
32. Heavy duty all-metal housing withstands the most rugged use, for lifelong durability
33. Approved by major international airlines, fulfills military radio-interference specifications for in-flight use
34. Custom built in Switzerland, by world-famous craftsmen from the heart of the Swiss watch industry
35. Every single FI-CORD passes the most severe, total quality control tests.
36. Longer, stronger ONE year world-wide guarantee, backed up by hundreds of dealers and service stations around the world
