# DIY Color Security Camera with Audio

## DIY Security Cam™

An affordable small camera, capable of hearing sounds with its built-in microphone. Fantastic for undercover surveillance!

The Swann DIY (Do-It-Yourself) Security Camera™ is a great simple, low cost solution for your D.I.Y home or business observation. With clear images and sound – you can keep an eye on your home or office by simply connecting the camera to your TV VCR or Swann LCD Security Monitor for convenient monitoring or recording.

Featuring a built-in microphone tough metal casing and versatile mounting bracket the Swann D.I.Y Security Camera™ is also lightweight and tiny in size making it ideal for all security purposes!
